

## OASD Chromebook Insurance Program

OASD offers Accidental Drop/Damage Insurance for district-issued Chromebooks for \$25/school year. This plan covers the cost of repairs for accidental damage (as determined by the District) to a student's Chromebook. Families that purchase insurance will have the Chromebook repaired/replaced at no cost should accidental damage occur during the student's use. While insurance is optional, it is strongly encouraged.

Families can purchase the insurance as part of the online registration process in Family Access and **must complete payment by September 1**. If the fee is not paid by September 1st, the Chromebook will not be covered against accidental damage and families will be responsible for all repair costs resulting from accidental damage.

### Benefits of the Accidental Drop/Damage Insurance include:

- Wide Scope of Accidental Protection - Examples of accidental damage covered by insurance may include, but are not limited to:
  - Drops, falls, and other collisions that result in accidental damage to the outer covers, screen, hinge, keyboard, etc.
  - Liquid spilled on or in the device
- Peace of Mind - know that if accidental damage occurs the family will not be held financially responsible for the cost of repairs.

### The Accidental Insurance *does not cover*:

- Chromebook damage caused by intentional acts (as determined by the District)
- Lost or stolen Chromebooks
- Devices not returned at the end of the lease term (end of 6th, 9th, and 12th grade)
- Devices not returned when a student withdraws from the district
- Chromebook Chargers - lost, stolen, or damaged

Families that don't purchase Accidental Insurance will be charged for all necessary repairs. The repair cost will be assessed to the student's fee management account in Family Access. Unpaid balances will be handled following the district's fee collection procedures.

### Warranty Information

All Chromebooks are covered by the manufacturer's warranty for malfunction due to manufacturing or non-performance issues. The warranty does not cover damage that is determined (by the district) to be accidental, intentional, or the result of negligent use or treatment; nor does it cover outright loss or destruction of the Chromebook or charging cord.

**Schedule of Repair Costs**

Cleaning Fee - marker/pen coloring on any part of the device, personal stickers	\$25.00
Removal of OASD asset tag sticker or rubber bumpers	\$25.00
