OAC Info

No Food is permitted in the theaters except for beverages sold at the OAC concession stand, with the cap or cover on, or where allowed in the lobby area.

Where Can I Sit?

All 759 seats in the Neudecker Main Stage Theater offer excellent views and acoustics. Our box office can be of service with any questions you may have.

The OAC is ADA compliant. We have a limited number of wheelchair accessible seats. Please let the box office representative know that you will need accessible seating at the time of purchase. Our circle driveway allows easy drop off and parking that is next to the front entrance. Wheelchair accessible doors and no steps to the front doors make entering and exiting simple. A gradual slope in the theater allows for easy and safe admittance.

The Little Theater is also ADA compliant. Since this space is used for a variety of different set ups from general seating to a cabaret theater, the number of seats depends on the type of show. Again, the box office can answer any questions or aid you with accessibility concerns.

When to Arrive

It is recommended that patrons arrive approximately 20 minutes prior to the start of a performance. This allows for time to park, check your coat (a free service at the OAC), use the restroom, and find your seat without feeling rushed.

Late Arrivals

Out of courtesy to the performers and audience, patrons arriving after the performance has begun will be seated at the discretion of house management – possibly not until intermission.

Seat selection may not be available for patrons purchasing tickets ½ hour prior to performances, and is at the discretion of the box office.

Bringing Children

Patrons are discouraged from bringing any child younger than the age of 6 to performances, unless that particular performance is geared toward or appropriate for younger audiences.

Parents are encouraged to contact the box office for information about the appropriateness of a given performance for younger children.

Booster seats are available. Check with an usher for assistance, first come, first served.

IF YOUR CHILDREN ATTEND A PERFORMANCE WITH YOU, A TICKET WILL NEED TO BE PURCHASED FOR THEM.

This includes children of all ages, including infants and toddlers. **PLEASE NOTE:** Parents are responsible to supervise their children when in the theater and lobby. If your child is being disruptive or causing a distraction, please take them to the lobby and continue to enjoy the performance on the lobby monitor.

Welcome to the Oconomowoc Area School District

In the Oconomowoc Area School District, the arts play a significant role in building and maintaining our vibrant schools and community. Investing in strong arts programs for our students and extending that investment into the community through the Oconomowoc Arts Center is just one of the ways we are working to become an unrivaled school district.

Through participation in the arts, our students learn about problem solving, effective communication in a group, creative and critical thinking skills, and develop a sense of belonging and connection. Knowing that the arts bring added value to learning and community, our district offers a wide range of opportunities to learn about and be involved in performance and visual arts.

Our curriculum includes art and music experiences beginning in 4K and continuing through grade 12. At our intermediate schools and Oconomowoc High School, students can select classes or clubs in the performing arts, a variety of bands, choirs, orchestras, and a wide range of visual and design arts. Musicals and theatrical productions are annual mainstays at our intermediate schools and high school and our students at these levels hold their performances at the Oconomowoc Arts Center. We're proud that the exploration of the arts available to our OASD students can pave a path to lifetime participation in community arts or the pursuit of excellence in professional work.

We thank each participant, patron, and supporter of the Oconomowoc Arts Center for embracing the arts and the vibrancy and enrichment they bring to our community.

Where Rock Meets Bach

TAKE3 trio captures the stage with alluring musicality

By Rebecca Seymour

"TAKE3 grabbed that light with a bold, aggressive tone and a body language that speaks loud and clear to audiences raised on rock videos."
Los Angeles Times

Seamlessly merging hits from The Beatles and the Beach Boys to Bach and Beethoven, TAKE3 lives at the intersection where pop, rock and classical fusion collide. The trio brings their unmistakable style and contagious joy in music-making to the OAC's Main Stage at 7PM Saturday, May 17.

TAKE3 brings the refinement of a rigorous classical music background and infuses it with rock-star charisma.

The idea of weaving musical styles in ways that takes the audience's breath away was conceived by violinist/vocalist, Lindsay Deutsch in 2017.

Performing with orchestras across the U.S., Deutsch has also recorded tracks for film and television, and is the featured violin soloist on the theme of the popular Netflix series "The Witcher." Her tours around the globe with Yanni, world renowned pianist and composer known for blending jazz, classical, soft rock and world music inspired Deutsch to take the next steps in her career on stage.

"When I performed with Yanni in Saudi Arabia for the first time, I hadn't ever played anything besides acoustic violin. Suddenly I was plugged in and playing a whole new genre of music, for 10,000 roaring fans. It changed my life and on the plane ride home I wrote down all my ideas and TAKE3 was officially born. Mixing pop and classical and creating fun mashups with multiple genres was where my heart was," she explained during a TAKE3 tour stop in Glasgow, Scotland.

**Investing in the Arts
creates ripple effects
in our community.**

Will you join us?

"We play this music using our virtuosity gathered during our 10,000 hours of practice, but with an energy and vibe of our favorite rock and pop stars. Performing is our love and bringing happiness to audiences around the world is our greatest joy," added Deutsch. "We don't take ourselves too seriously and it's not uncommon to see us cracking *each other up* at our own shows. We can't wait to rock the house and hope we fill every last seat!"

For more information about TAKE3, visit www.take3music.com and www.facebook.com/take3trio.

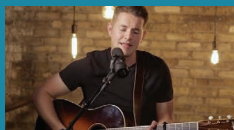

Joining Deutsch on stage are Georgia Bourderionnet on cello and Alexa Constantine on piano, offering a memorable evening filled with alluring intermixing of classical and modern music. The world-class artists make it their mission to impart their passion for music-making to all who hear them, combining unparalleled musicality and energy to connect with their audiences at an emotional level.

Deutsch holds a degree from the Colburn Conservatory in Los Angeles, Bourderionnet has a BA in cello performance from the Eastman School of Music and master's from Manhattan School of Music, and Constantine graduated with summa cum laude honors in classical piano from UCLA.

The audience will hear familiar favorites covering genres from country, pop, classical, jazz, Americana, and artists like Billy Joel, The Beatles, Imagine Dragons, Coldplay, Neil Diamond, John Williams, Beyonce, Willie Nelson, and more. Popular film and TV themes from "Pirates of the Caribbean," "Game of Thrones," "Stand by Me," "Sweet Home Alabama," and others round out the high-energy playlist.

Guys on Ice

An ice-fishing musical comedy that reels in the audience – hook, line, and sinker

By Rebecca Seymour

"The greatest ice-fishing musical ever... a silly, sweet, and sometimes touching concoction of goofy jokes, folksy songs, and male bonding Badger style." Milwaukee Journal Sentinel

Catch the nostalgia of ice-fishing in Wisconsin in the comfort of the OAC's Main Stage Theater with *Guys On Ice* at 7PM Friday and Saturday, March 7 and 8, and 2PM Sunday, March 9.

Featuring Steve Koehler in the role of Lloyd and Doug Mancheski as Marvin, the Wisconsin-inspired musical comedy is sure to warm the cockles of your heart and is way more fun than sitting on a wooden crate over a hole drilled into a frozen lake (well, most of us think so!). The pesky, ukulele-playing character Ernie the Moocher played by Tim McNurlen also casts another dimension to the "couple two-tree" guys trying to catch some perch' storyline.

Inside their cozy ice-fishing shanty "up north," long-time buddies Marvin and Lloyd spin wit, wisdom and hilarious tunes about life, friendship, and the one that got away. With musical numbers like, "The Wishing Hole," "Ode To A Snowmobile Suit," "Fish Is The Miracle Food" and "The One That Got Away," it's no wonder why *Guys On Ice* has played to sold-out theaters around Wisconsin and the US for more than 25 years.

"*Guys On Ice* is a great, heartwarming show about friendship and what's really important in life. As soon as I open my mouth on stage, people are laughing," explained Mancheski.

"We're celebrating all the endearing things of Wisconsin and there's this nostalgic connection. People see the show over and over. That's what great theater is all about. It's sharing this common experience - you're not alone and we all feel this way."

For more than 25 years, Doug Mancheski has brought laughter and joy to the Northern Sky Theater stage in Door County, WI. He has been perfecting his portrayal of Marvin in *Guys On Ice* since its premiere at the Ephraim Village Hall in Door County with American Folklore Theater (now Northern Sky Theater) and then the Milwaukee Rep in 1998.

Doug graduated from NYU's Tisch School of Arts MFA program, as well as New Actors Workshop, headed by Mike Nichols and Paul Sills. He has performed with most of the professional theaters in Wisconsin in shows like *Lumberjacks In Love*, *The Bachelors*, *Muskie Love*, and *Windjammers*, and most recently was featured in the 2023 comedy film, *Hundreds Of Beavers*.

Steve Koehler has performed the role of Lloyd more than 1,000 times since 2002. Other favorite credits include *The Bridges Of Madison County* with Peninsula Players, *The Sound Of Music* with Skylight Music Theatre, *Rabbit Hole* with Milwaukee Chamber Theatre and *Victory Farm* with Northern Sky.

Steve holds a BS in Education from the University of Wisconsin-Madison and a Master of Fine Arts in Acting from the University of Wisconsin-Milwaukee's Professional Theatre Training Program (P.T.T.P.). He teaches physics and engineering at Pathways High in Milwaukee, as well as on-camera acting at UW-Milwaukee.

Guys On Ice is directed and choreographed by Northern Sky Theater Artistic Director Jeffrey Herbst. Book and lyrics by Fred Alley, and music by James Kaplan.

● Main Stage Series | May 17, 2025

Seamlessly merging hits from The Beatles and the Beach Boys to Bach and Beethoven, TAKE3 lives at the intersection where pop, rock, and classical fusion collide. Described by audience goers as a mini-Trans Siberian Orchestra experience, the group is known to bring their unmistakable style and infectious joy in music-making to the OAC's Main Stage. TAKE3 was created by violinist/vocalist Lindsay Deutsch, Yannii's featured violin soloist, with whom she has toured throughout the world. Joining her on stage are Georgia Bourderionnet on cello and Alexa Constantine on piano, offering a memorable evening filled with alluring intermixing of classical and modern music.

Looking For Fun And Feelin' Groovy

Join Jim Witter and his band as they celebrate the 60s and the music of Simon & Garfunkel

By Rebecca Seymour

Life, I love you, all is groovy.

"The 59th Street Bridge Song (Feelin' Groovy)"

written by Paul Simon

Parsley, Sage, Rosemary, and Thyme album, 1966

The Oconomowoc Arts Center kicks off its 17th season with **Feelin' Groovy** - a musical journey through the 60s featuring the music of Simon and Garfunkel at 7 p.m. Saturday, September 7!

Last season's **The Piano Men** tribute of Billy Joel and Elton was so popular, we're bringing Jim Witter and his talented band back to the OAC's Main Stage. Get ready to let your hair down and kick off your shoes, as Jim and the boys take a multimedia musical trip back in time to the 1960s.

As the lights go down, and the music begins, close your eyes for a moment. You may almost smell the incense burning and see the lava lamps bubbling. Songs like "Mrs. Robinson," "Scarborough Fair," "The Boxer," and many more made famous by Paul Simon and Art Garfunkel during a time of love, counterculture, and rock 'n roll will have you singing along and feelin' groovy!

It all started in 1957, when the two high school friends had a moderate hit with their song "Hey Schoolgirl." Their music and lyrics would become synonymous with the pop culture and headlines

of the next decade. From "The Sound of Silence" to "Homeward Bound," their music formed the backdrop of the Baby Boomer generation.

"So many people consider Simon and Garfunkel's music as the soundtrack for what was going on in their lives at that time. I hear all the time about the profound experiences people have with songs like 'Bridge Over Troubled Water.' Every song has special meaning and folks really love the nostalgic trip down memory lane," said Witter.

For more than 30 years, the award-winning Canadian recording artist has been entertaining crowds across Canada, the United States, and the world. Whether sharing his original music, the music of Billy Joel and Elton John, Simon and Garfunkel or any of the other artists he pays tribute to, Witter's versatility as an artist has allowed him the opportunity to connect with audiences of all ages.

The show also features musical talents and pristine vocal harmonies of Ian Tanner. The singer-songwriter and multi-instrumentalist has performed in rock bands since the mid-80s, and has been touring the world with Jim Witter and his band for more than 20 years.

"I refer to Ian as a vocal chameleon because he can match his harmonies to whatever I'm singing. He is super talented and our voices really blend well together," added Witter.
