Phone: _____ Email: _____

Home Address: _____

Technical College applications submitted to:

Please provide the following information:

1. Resume of all service activities during high school years. Differentiate between leading versus volunteering and academic versus community activities (one page limit).
2. Essay about an event where you have demonstrated both leadership and service to others or your community. How has that experience impacted your plans? (one page limit).
3. Open statement about anything you want to share (one page limit).
4. Transcript.
5. One letter of recommendation describing your leadership in service to others or your community.

Signature of Student: _____

Date: _____

Our definition of leadership is planning, coordinating, and implementing an event. Volunteering is signing up to attend an event and working.

Scholarship Recipient will be honored at Okauchee Lions Club on February 27th, 2025. The recipient is expected to attend.
